**BILL SUMMARY:**

Senate Bill 186 amends Section 15-77-300 of the Code of Laws of South Carolina, 1976, by limiting the allowance of attorney's fees awarded in a state-initiated action. The Bill would allow a judge to determine what a reasonable amount of time expended on the action and what a reasonable rate for that time should be.

**EXPLANATION OF IMPACT:**

The Judicial Department indicates this Bill would have a minimal impact on the General Fund of the State, which can be absorbed by the agency at the current level of funding. The additional time requirement placed upon the judge in the determination of what a reasonable rate would be for the attorney's fee will increase the time in the disposition of the case and therefore add to the overall time case processing in the Court of Common Pleas.

**LOCAL GOVERNMENT IMPACT:**

None.

**SPECIAL NOTES:**

None.
